Science has advanced far in the past few centuries, but it has not yet found a way to change the trip down the road of life from a walk to a ride. Life is still made up of footsteps. These are footsteps to be taken carefully, one at a time. Life is a step-by-step process.

The road of life is an intricate one. It's a road of puzzles. Each step we take puts another piece in the puzzle, and brings us closer to a complete picture. The road of life runs through fields of hope and meadows of memories. It is a well-traveled road—a road which leads from the past, through the present, and into the future.

The road of life runs through the land of education. Elementary school, junior high school, high school, and college are all nations which we encounter as we journey through life. Our journey through the city of our freshman, sophomore, junior, or senior year has ended. The freshmen have finished a trip through a city of corners. They know now what to expect around the corners to come, and they are far wiser for the experience. The sophomores have completed the longest part of their journey. Their goal is within reach now, and they will start the next part of their journey with the new, increased enthusiasm of upperclassmen. The juniors are reaching for the top rung of the ladder of high school education. Next year they have the job of filling the shoes vacated by the seniors, and they attack this task with zest and vigor. The seniors enter a new world. They are young, and yet old enough to face the trials and turmoil of a world in crisis. They are ending four years of learning, and advancing to bigger jobs ahead of them.

We remember this year by the footsteps we have taken. This book records the imprint we all have made at Pioneer during the past year, 1964-1965. Therefore we have based the theme of our yearbook on those things which make up our journeys of life itself—footsteps.

We hope that this book will serve as a guide to the past year . . . that it will be a Torch to light your way through fields of remembrance to many happy memories.

DEDICATION

In Spain the word is GRACIAS; in France, MERCI; in Germany DANKE SCHON; and in Sweden, TACK.

There are many ways of saying thanks. In this dedication, the Torch Staff says a special thanks to a very special person. We take this opportunity to show our gratitude for many, many hours of unselfish service to the students of Pioneer High School. The man to whom we dedicate this book is a man who has worked for us and with us from the time the idea of Pioneer High was first conceived until now, and who has helped Pioneer to grow in accomplishments and reputation. We are proud of our school, and especially proud of those men who have made us what we are. High on the list of men responsible for the heights we have attained is this man. He has guided our footsteps down the path to greatness.

In 1914, two thing happened: World War I began and a couple in Escondido, California gave birth to twin sons. Each of these events has changed our lives in some way.

The twin that we know began his education in Brea, California. He went to Jefferson High in Los Angeles, and from there went on to Fullerton Junior College and Compton Junior College. He then attended the University of Southern California, where he earned his Masters' Degree in Speech.

He began his teaching career in 1940 in Turlock, California. He taught at Turlock for two years, and it was there where he was married in 1941. He then moved to Ventura, where he taught for four years.

His life has been one of many facets. After spending four years in Ventura, he retired from teaching temporarily, and went into the appliance business. He returned to teaching and taught for four years in Plancentia, California.

In 1951, he came to the Whittier Union High School District, and taught at Whittier High. He has taught many subjects — almost everything but math and science. He came to Pioneer when it opened in 1959, and has been an active member of the Pioneer faculty ever since.

He now resides in Whittier with his wife, Betty. He has two children: Marcia, 19, and Don, 22.

He served as our Assistant in charge of Student Activities from 1959 until 1964, and now serves as Curriculum Coordinator. In February, 1964, he received a life membership in the PTA, in recognition of his help to the students of Pioneer High School, "above and beyond the call of duty."

He was one of the first ten faculty members to join the Pioneer staff. While he was a full-time teacher at Whittier High, he met with the Provisional Council to help establish the traditions and policies which made it possible for Pioneer to open successfully.

Throughout the years, his belief in the ability of students to accept responsibility has never failed. His mark is on all the Titan activity programs. He has opened doors to the future for many of us.

And so we say thanks to a man who has braved the dust and dirt, and built with us, a school that we can be proud of; a man who has helped us to find the path of success. His name has become synonymous with tradition. In his own very quiet way, he has made it possible for Pioneer to have the tremendous activity program we now enjoy.

It is with pride and a deep sense of gratefulness that we dedicate the 1965 Torch to

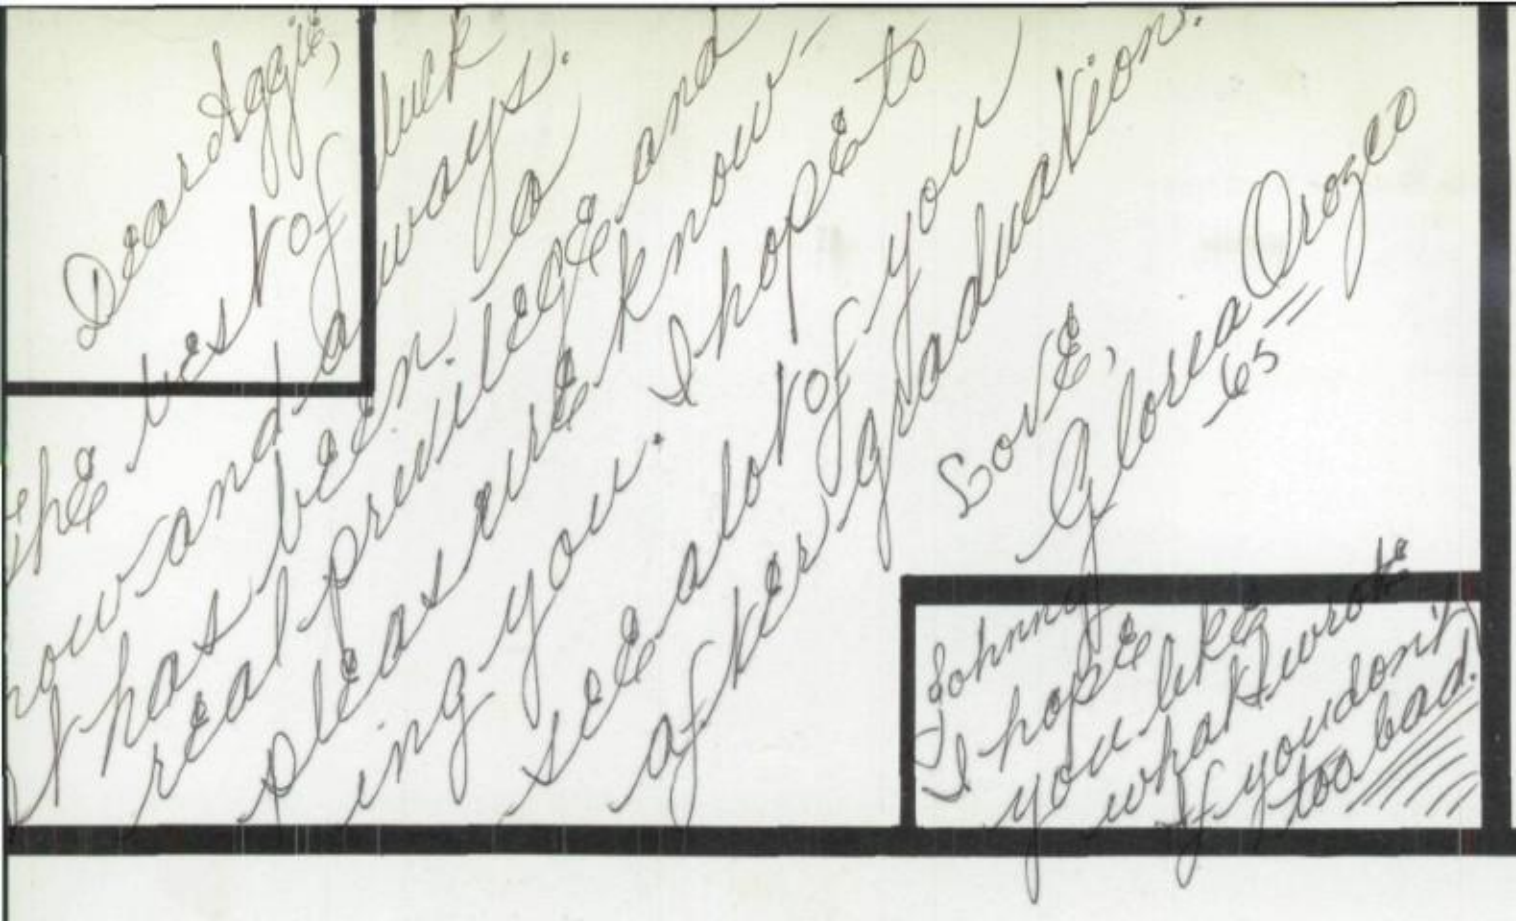
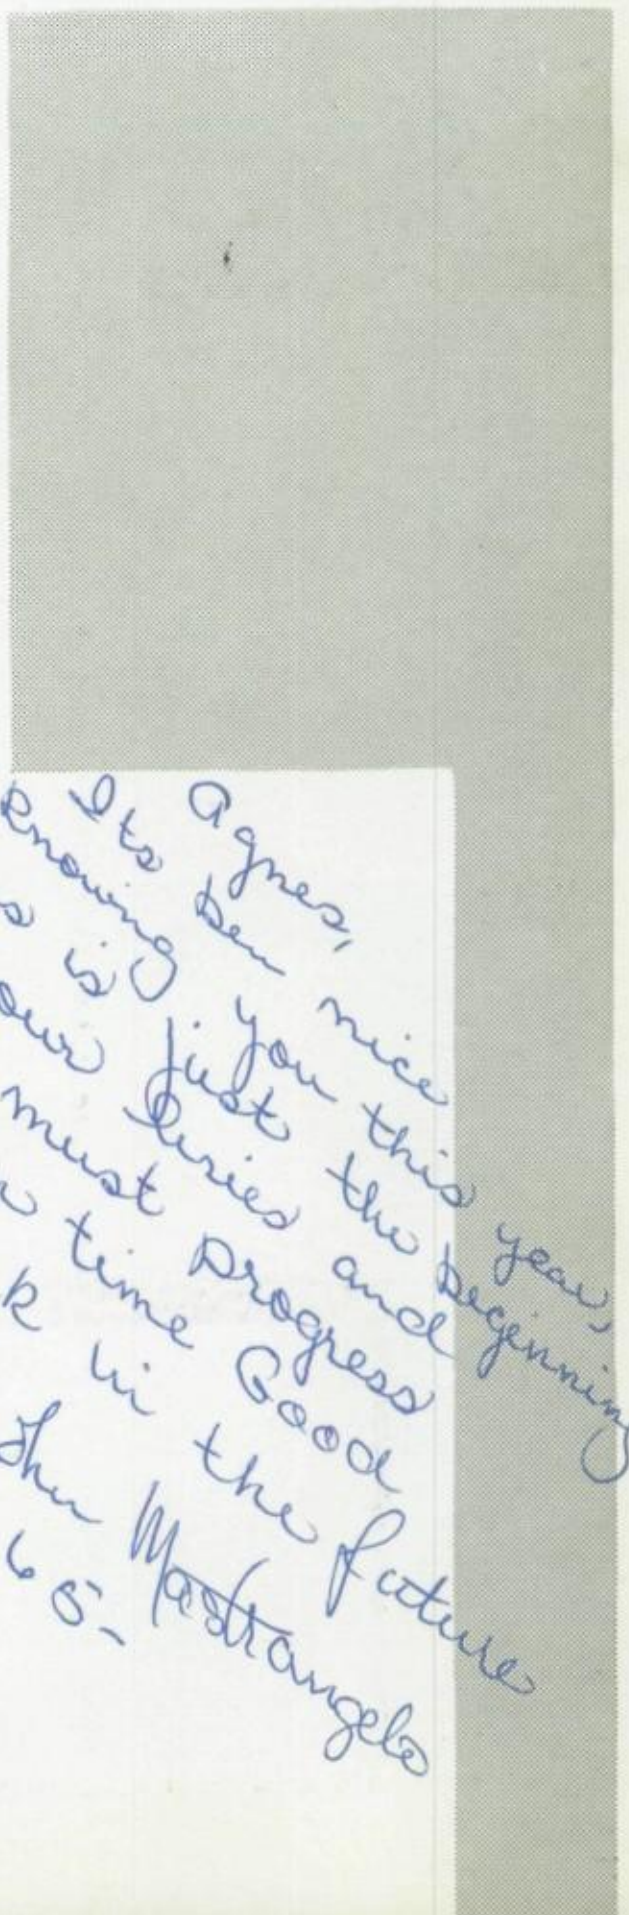
FACULTY AND

ADMINISTRATION





WHITTIER UNION HIGH SCHOOL DISTRICT ADMINISTRATORS

Pioneer High School Titans owe much to the Administrators, of the Whittier Union High School District. They are an efficient, hard-working group. They make the important decisions that enable students in the district to receive the first-rate training necessary for the complicated world of today. We, the students of Pioneer, say "Hats off" to our dedicated Administrators.

BOARD OF TRUSTEES

MRS. VIRGINIA MACY, PRESIDENT

MR. EDGAR ROMBERG, VICE PRESIDENT

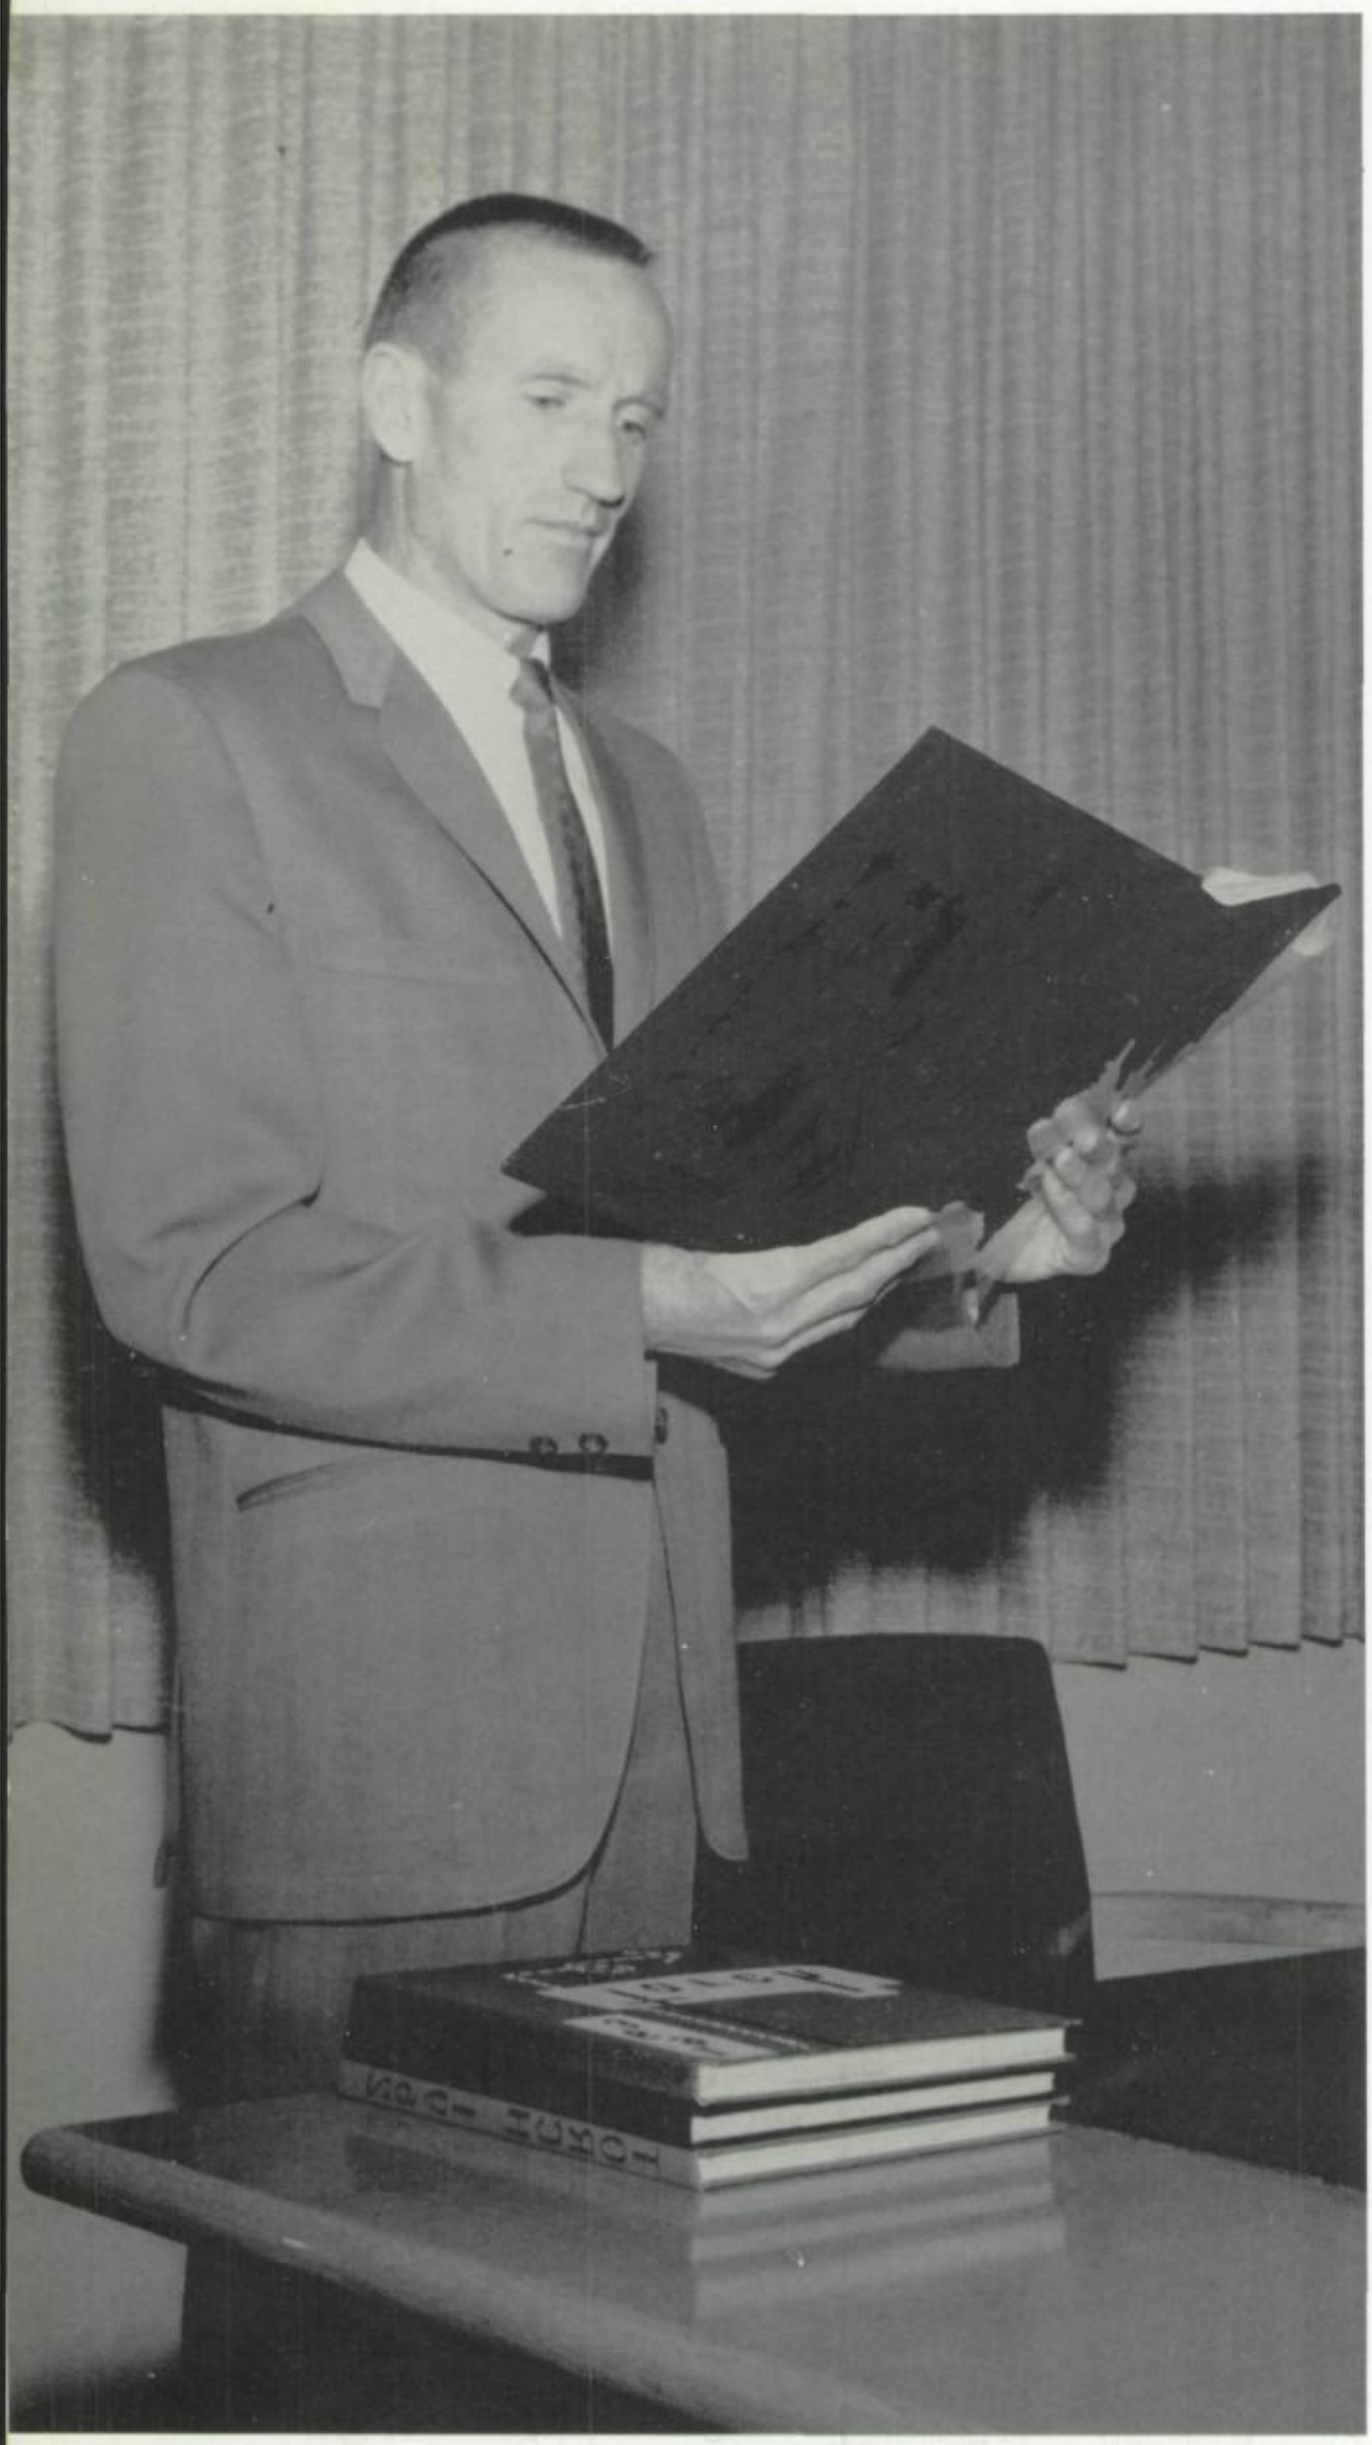
The members of the Board of Trustees have the great responsibility of making our education a worthwhile one. Their only compensation for playing such an important part in our future is satisfaction. We salute the splendid achievements of the Board of Trustees of the Whittier Union High School District.

MR. CHARLES W. MARSHALL, CLERK

MR. M. G. GARMAN, MEMBER

MR. H. C. STARR, MEMBER

OUR PRINCIPAL



A couple of centuries before Christ, a gentleman named Socrates who was a fine teacher uttered two very significant words. He said, "Know thyself!"

The words sound simple, don't they? Yet, those of us who have been around for a while know how profound and yet how difficult they really are.

Which of us knows ourselves well enough? I suspect that no one really does. This is one large function of education. What you see on the following pages is just a glimpse of how in our culture we help each other to know ourselves better. Education is far more than Athletics, Business, Art, Music, Literature, History, Math, Science, and Fun. It is also hard work, internal discipline, pain, and anxiety.

Woven into the fabric of Titan tradition is a twentieth century rephrasing of Socrates' admonition. It goes like this: "Hats off to the past; coats off to the future."

With all of the respect due to past and current accomplishments, let each of us look forward to increasing our efforts to fulfill Socrates' dream. Know thyself!

Jack E. Jines

ASSISTANT PRINCIPALS

Our Assistant Principals dedicate many long hours during the year toward making Pioneer the fine school it is today! Mr. Haines, Mr. Schumann and Mrs. Sorenson are rarely seen in the classroom, but the work they carry on behind the scenes helps all of us to be better equipped to meet the challenges that lie ahead.

COUNSELORS

The counselors have given the students of Pioneer another year of kind forbearance, active guidance and patient understanding. Many seniors have been guided into colleges and careers best suited to them through the efforts of our counselors. Others have been helped to adjust to the disciplines of a modern high school. Innumerable students, past and present, have expressed their deepest gratitude to these dedicated individuals who serve as our counselors.

SPECIAL SERVICES

What are special services? They are those "little jobs" that help the Pioneer campus to run smoothly.

As curriculum coordinator, Mr. Eddy works with department heads, teachers, and students. He helps to develop courses of study. He coordinates period substitutes, and organizes the audio-visual program. He did an excellent job of planning and supervising Back-to-School night.

Mr. Low assists the Business and Activities Office in the physical aspects of running Pioneer. Included in his duties are the jobs of seeing to it that general repairs are made, moving and repairing school equipment, and coordinating custodial work.

Mr. Hazard serves us by keeping our library in good order. He maintains our library with the highest degree of efficiency.

Mrs. Whitman, our school nurse, keeps us healthy. She is always there to lend a hand when illness keeps Titans from doing their best.

Without the help of these dedicated individuals, Pioneer could not function with the unsurpassed efficiency to which we have all grown accustomed.

PIONEER TEACHERS' CLUB

From letf to right: Mr. Hazard, Miss Ekstrum, Mrs. Johnston, Mr. Hillson-President, Mr. Thompson, Mr. Kauffman, Mr. Kimmick.

Many fortunate Pioneer seniors receive scholarships from P.T.A. and the Pioneer Teacher's Club. The Teacher's Club and P.T.A. also give "Grad night" assistance and chaperone at all of Pioneer's dances. Both of these hard working organizations help sponsor the Exploratory Work Experience Education program which gives Pioneer students in insight into various occupatiòns.

Cafeteria Staff: Dorothea Macdonald, Madeline Keosababian, Marie Langley, Tess O'Meara, Sally Salgren, Margaret Benner, Zora Burke.

Can you imagine a school without maintenance men, cafeteria staff, or snack shack workers? During the year, the custodians keep our campus neat, clean, and functioning smoothly. The snack shack and cafeteria staff prepare a wide assortment of foods. These services have been greatly appreciated by both students and teachers alike.

FINE ARTS

From music to clay pots, the courses offered in Fine Arts at Pioneer foster good taste and provide vocational training. A great variety of sights and sounds are evident in these classrooms. Music of many descriptions vocal and instrumental echos from the music building daily.

One of the outstanding achievements in the Ceramics I classes this year according to the instructor, Mrs. Simpson, was the construction of oversized coil pots (see photo at left). These are some of the largest ever successfully glazed and fired at Pioneer.

Mr. White of the drama department said that their production of Shakespeare's "Taming of the Shrew" was one of the outstanding highlights of the year.

HOME ECONOMICS

A basic knowledge of cooking, sewing, budgeting and child care is essential if a happy home is to be established. The art of making and managing a home is being taught in Home Economics classes. The Home Economics department helps Titans to be better prepared for the future work of home and family life.

PHYSICAL EDUCATION

"One . . . two . . . three . . . four . . . " and "Hey guys, get busy" is heard in nearly every Physical Education class. These classes are helping *all the students of Pioneer to be better equipped* to face today's world with strong bodies and alert minds. This year something new has been added to Physical Education—girls are competing against boys in track!

BUSINESS

One of the many outstanding activities during the year was a field trip taken by the General Business classes to the Bank of America. The Secretarial Practice class visited an insurance company and some students this year entered a Mr. and Miss Speech Contest, sponsored by the Business Education County Committee. All of the Typing II classes in BE. 200 participated in a "Race Track", contest to improve their typing speed.

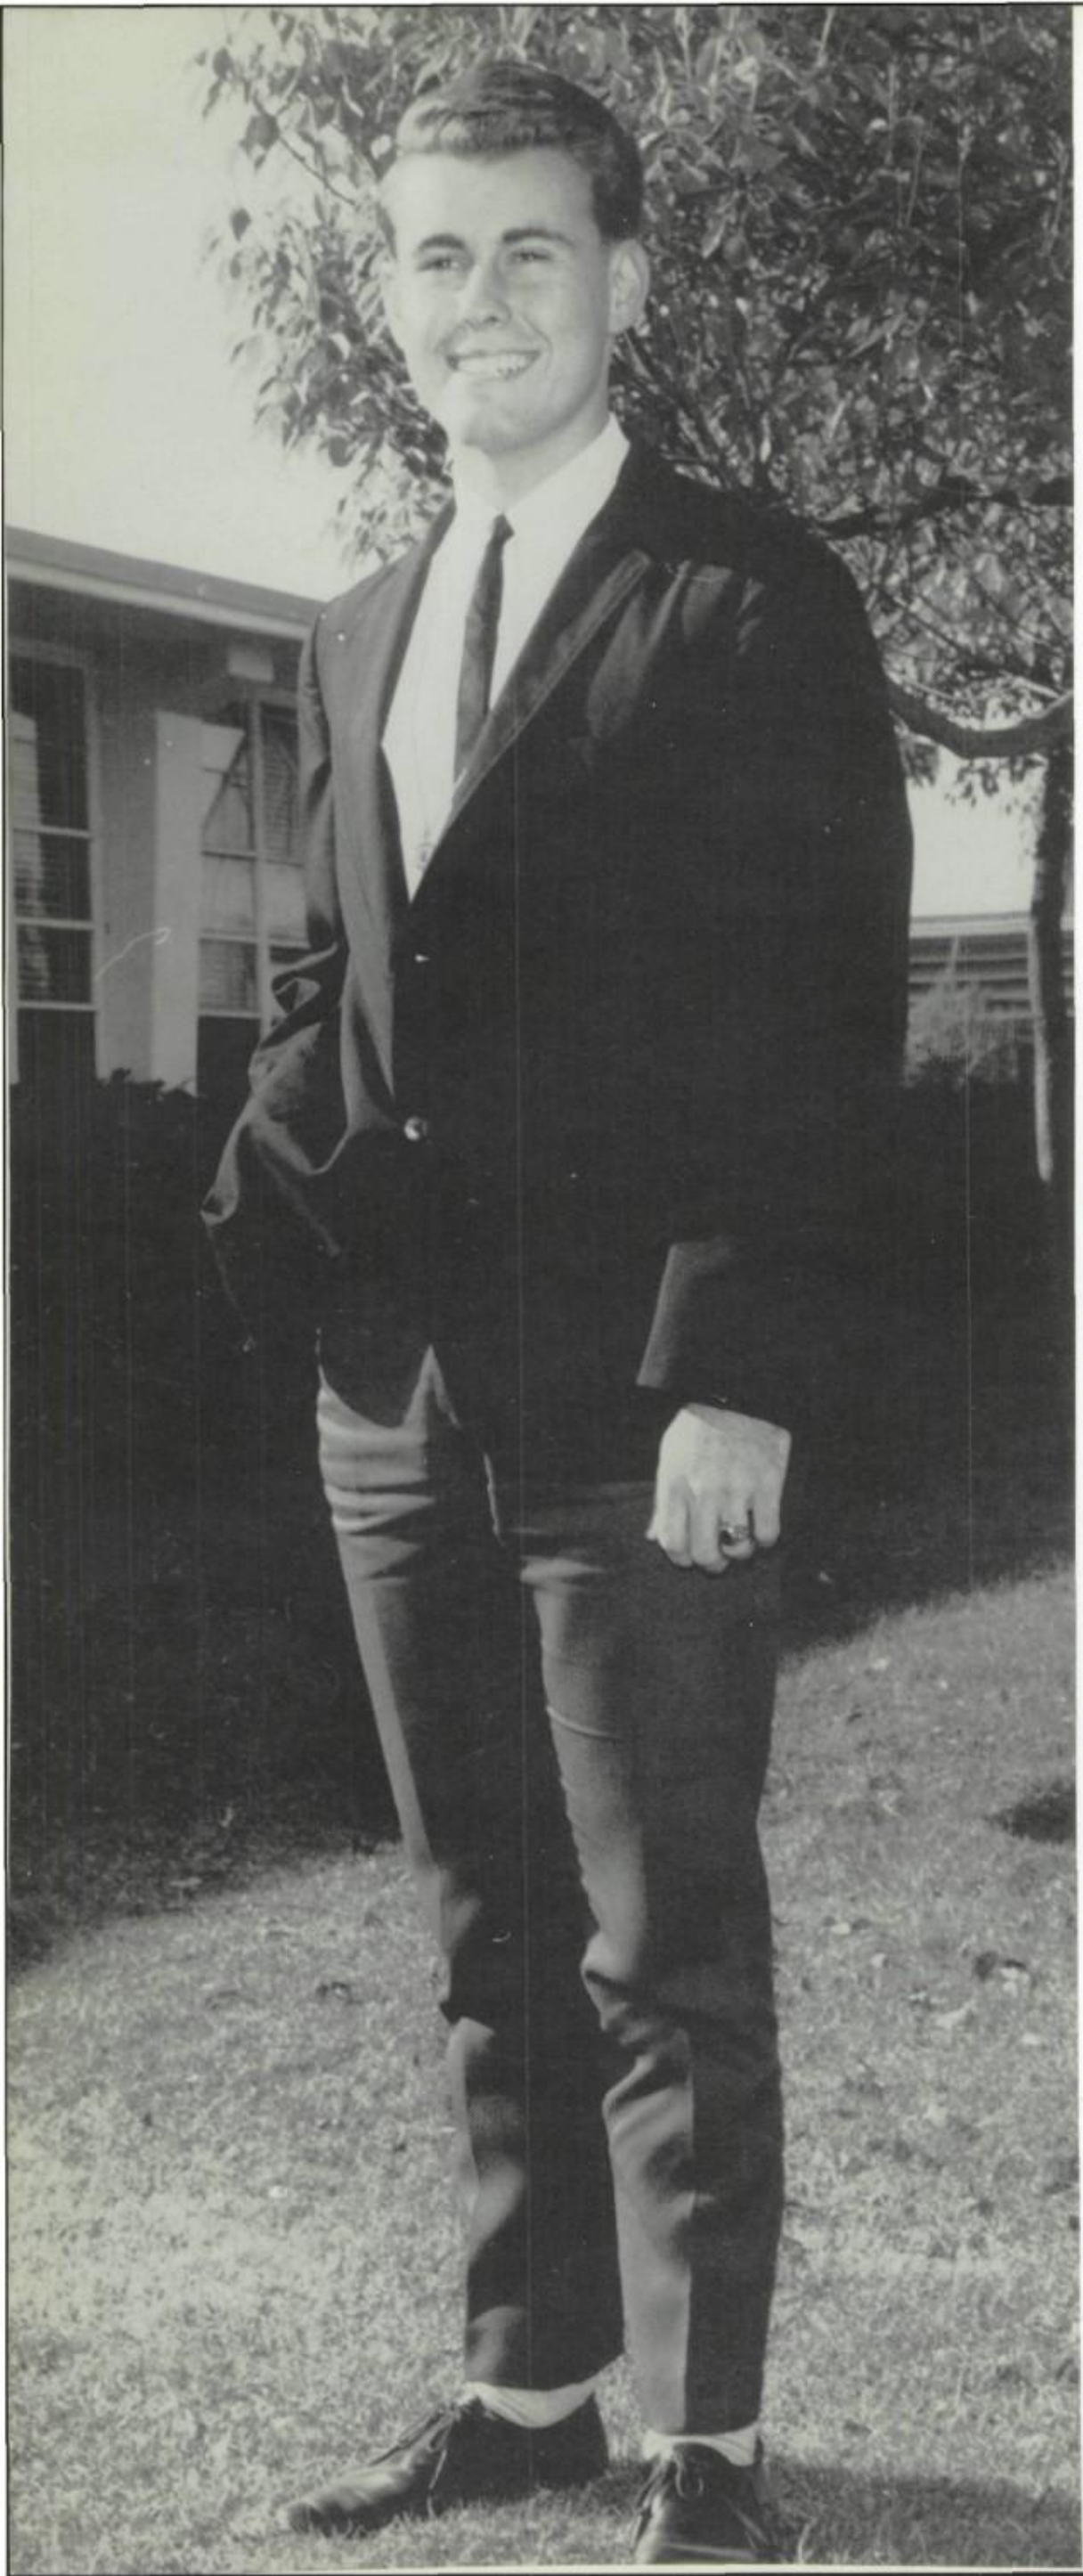
GOVERNMENT



ASSOCIATED STUDENT BODY PRESIDENT DICK NICKUM

"Let the word go forth that the torch has been passed to a new generation of Americans, disciplined by a hard and bitter peace."

Pioneer has grown through her ideas and matured with leadership. We have completed another year, making a habit of success. We have used this as a responsibility to ourselves as well as to our school. Our pride in defending our ideas; living by our principles; and sacrificing our energy, is an example of this success. By supporting Pioneer, she has supported you. We may be only as great a school as our achievements permit us to be. Only through the determination, the intelligence, and the desire of the entire student body, have we grown to maturity and become good Americans. Let it be known that "we shall bear any burden, pay any price . . . . . to ensure the preservation of freedom."

Richard Nickum
A.S.B. President '64-'65

ASSOCIATED STUDENT BODY OFFICERS

LEE ABRAHAM, VICE PRESIDENT

As A.S.B. Vice President, "The Senate will now come to order," has been a much-used phrase in Lee's vocabulary. Aside from his emoting in all of the school's dramatic productions, he also acts as cabinet parliamentarian and has done a terrific job of organizing the annual carnival.

KATHY WULF, SECRETARY

A fitting gift for Kathy would be a year's supply of pens and pencils to make up for the ones she has used this past year as our student body secretary. Her efficiency is to be admired.

LINDA HAMMAR, FINANCE CHAIRMAN

Linda Hammar does a fine job of keeping an account of all of our expenses and multitudinous other student finances. Her capable budgeting helped keep the Titans in the black for the school year 1964-65.

PUBLICITY CHAIRMAN CHARLES RICHARDSON

Charlie has realy been a great help to Pioneer this year. He is the one who always keeps the student body up-to-date on the coming events of the year. A brief look around campus shows evidence and traces of Charlie's footsteps by the posters, signs, and slogans which appear in such abundance.

HEAD YELL LEADER TERRY GARNER

Terry's name has become synonymous with pep. He has brought Pioneer increased pep by introducing the Spirit jug at assemblies, rallies and games. Terry's "Oni-Kava-weki-weki-go!!" has literally become a part of the Titan Spirit.

ACTIVITIES CHAIRMAN JANET SPILLMAN

Janet, our Activities Chairman, has really helped Pioneer by her hard work and good organization. She plans many of our student body activities. She sees that everything will run smoothly. Many thanks to Janet for making this a happy and an eventful year.

SPEAKER OF THE HOUSE PAT WOPERSHALL

As Speaker of the House, Pat has spent many long hours *preparing for and conducting meetings of the House of Representatives.* Much of Pat's free time has been taken up by activities involved with his job. Under his direction, the House has played an important part in establishing the policies of Pioneer High School.

ASSOC
OFFICER

ATED STUDENT BODY
AND CABINET MEMBERS

HEAD SONG LEADER BONNIE EISMAN

Bonnie does a great job in leading the Titans in victory songs, the Alma Mater, etc., and in rehearsing the other songleaders for long hours after school so that our songs at football games, basketball games, and other activities are the very best.

ASSEMBLIES CHAIRMAN LEONA POWER

Leona, our dynamic Assemblies Chairman, has planned many mysterious, exciting, serious, and most of all, enjoyable assemblies. These assemblies will be remembered with enjoyment for years to come.

PUBLIC RELATIONS PEGGY YOST

Peggy has done a fine job keeping our surrounding communities informed of all Titan activities. Through her fine work, we have had good turnouts at all Titan activities, and excellent coverage in the community newspapers.

PEP CHAIRMAN DIANE CRAYS

Diane did an excellent job this year with our annual "Spirit Week." She has also headed the Pep Club, and through her efforts there was stronger support and larger turnouts at Titan sports events.

MARY MAYS

Girls' League Executive Board: Dayleen Furgeson, Mary Robinson, Mary Mays, Connie Pendergrass, Ernie Moreno, Lynette DeLaurant.

GIRLS' AND BOYS' LEAGUE OFFICERS

Boys' League Executive Board: Laurie LeMay, John Beltz, Dave Schilling, Nick Voeltz, Gary Smith.

BOYS' LEAGUE PRESIDENT
DAVE SCHILLING

Among the most active organizations on the Titan Campus are the Boys' and Girls' Leagues. Included in their activities this year have been the car show, the Mother-Daughter Dessert, the Girls' League formal dance, and several other dances.

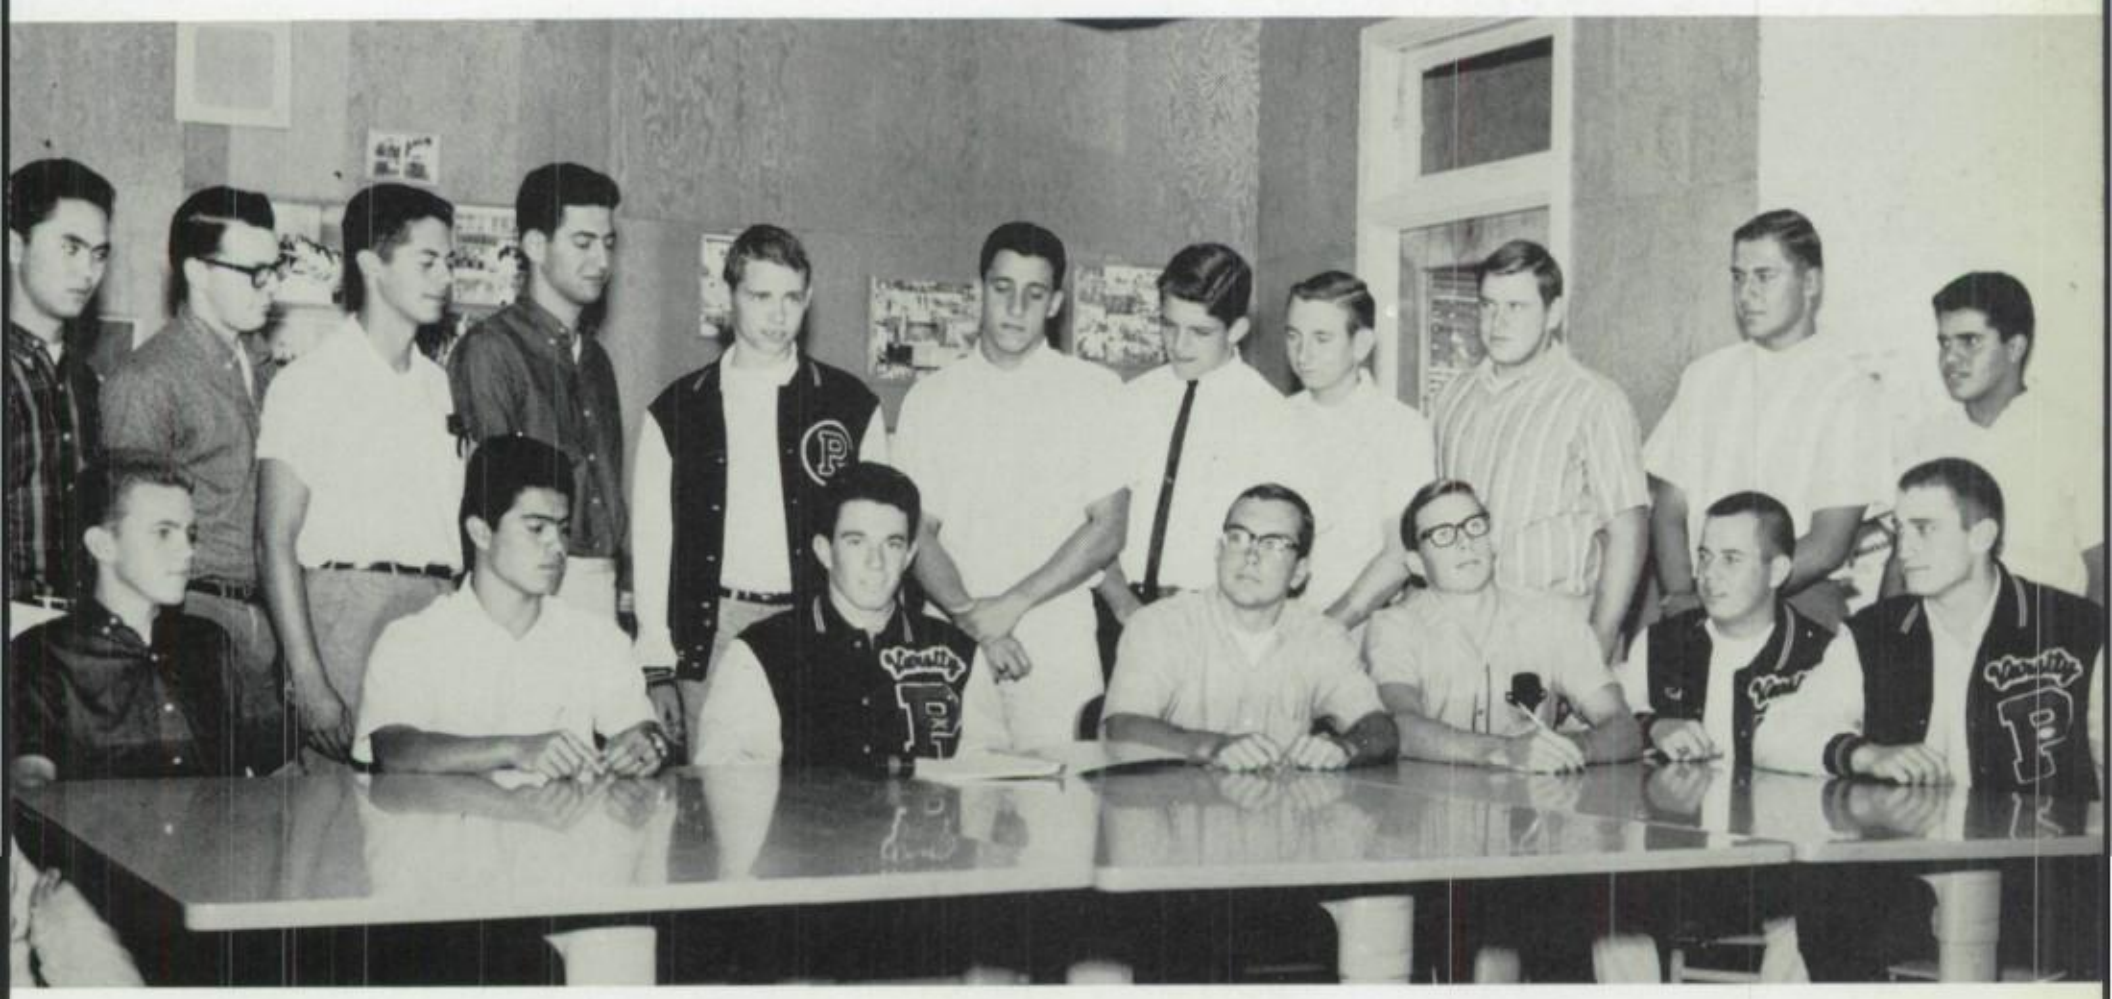
BOYS' AND GIRLS' COUNCIL

Often we criticize that which we don't understand. The Boys' and Girls' councils provide a go-between for the guidance office and the student body. They attempt to help students before any mention is made on the students' formal record. They do much for the school by just doing the little, unnoticeable things.



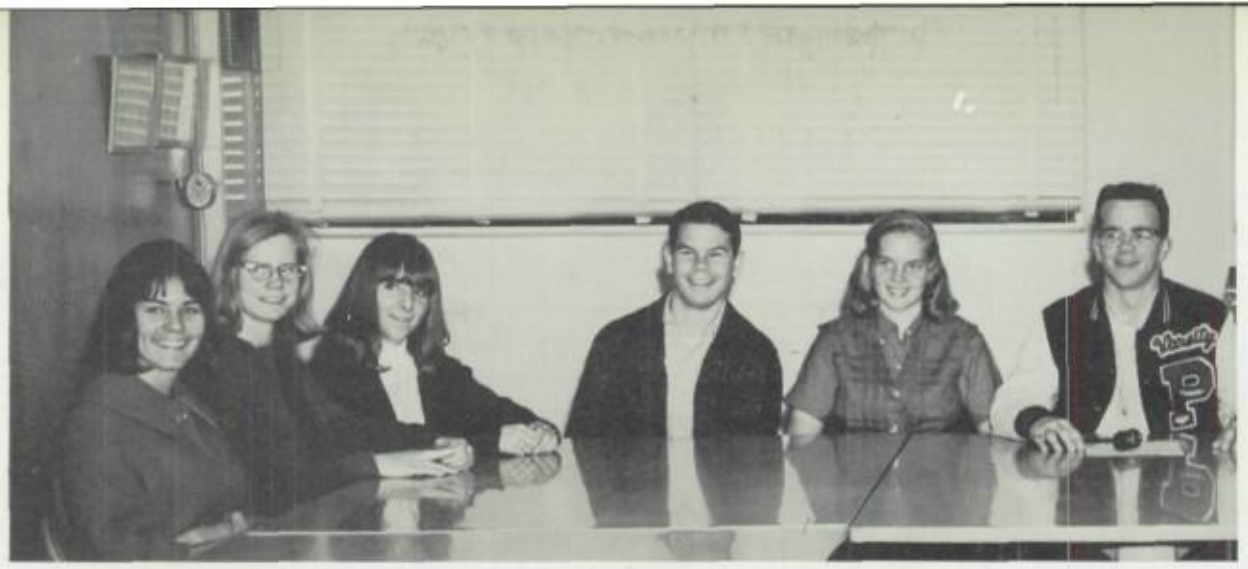
Seated: Kerry O'Brian, Bob Garcia, Tim Morris (President), Dave Shilling, Jim Dummit, Nick Voltz, Gary Smith. Standing: Fred Mercado, John Beltz, Nelson Miller, Lee Abraham, Bob Warren, Steve Ruffelo, Terry Garner, George Sherriden, Larry LeMay, Mark Radulivich, Charles Del Muro.

THE SENATE

Under the direction of A.S.B. Vice President Lee Abraham, the Senate handles suggestions and criticisms of the Student Forum and carries out duties appointed by the Cabinet.

They provide interpretations of the club constitutions and provide a link between the cabinet and the clubs.

Seated: Willie Garcia, Cindy Kirkley, Linda Kaylor, Clyde Kilgore, Lee Abraham, Janice Ferraro, Peg Yost, Barbera Lester, Ray Somerset.



Alice Bonser, Laura Radford, Kathy Sandoval, Mike McCraw, Debbie Wagers, Pat Wopershall.

The House of Representatives plays an important part in Student Government at Pioneer. Representatives from each class work together on various school issues such as the freshman elections and ASB election procedures. The photo below shows the House of Representatives at a typical noon time meeting.

TITAN TRIBUNE STAFF

Football, the Prom, the Senior Wills, assemblies and the many activities that take place at Pioneer are covered in our Titan Tribune. The Tribune Staff does an outstanding job on our newspaper. It is the Tribune Staff, through the medium of our school newspaper, that helps keep Titans up to date on the years' events.

Standing: Clint Cox, Bob Wilson, Ryan Reinhold, Olga Seagrove, Mary Tebbetts. Seated: Carolyn Johnson, Marlene Zocchi.

"The facts and nothing but the facts," is a reality to these Titan Tribune staff members. They are responsible for giving superb coverage of the many varied news events throughout the year. It has been said that a newspaper is the voice of the people, and the Titan Tribune serves that purpose through the school year. 1964-65 TORCH STAFF

What is an annucl? Is it nothing more than a book of pitctures? Or is it something more? We of the Torch Staff hope that it is the latter.

The book which you now hold represents nine months of smiles and tears, of hopes that succeeded and hopes that failed, of activities, of studies, of work, and most of all, of fun.

The Torch Staff is a normally sane group, but if someone had come into M 103 one or two days before a deadline, he would have been confronted by a room of madly scrambling, wild muttering teenagers, and one very harried advisor.

Now that we have completed this book, we look back and wonder if it was worth all the problems, troubles, and headaches. We sometimes had our doubts, but now, in retrospect, we think it was.

Front Row: Laura Beger, Social Studies; Gloria Aleu, Foreign Language; Paula Bendel, Home Economics; Karen Wilkinson, Music; Angie Lopez, English. Back Row: Barbara Sears, Business Education; Diane Crays, Art; Robert T. Garcia, Industrial Arts; Mary Robison, Math; Vern Chinen, Laboratory Science.

SPECIFIC FIELDS CERTIFICATE AWARDS

The Bank of America presents certificate awards in specific fields. These fileds are Social Studies, English, Foreign Language, Math, Science, Home Economics, Music, Art, Business Education, and Industrial Arts. These students are chosen by teachers, Department Chairmen and Guidance Personnel for their outstanding academic achievements.

D.A.R. AWARD

DAUGHTERS OF THE AMERICAN REVOLUTION

Michele McCarthy and Paula Bendel are the 1964-65 recipients of the D.A.R. Award. The local chapter of the Daughters of the American Revolution makes this award annually to girls possessing the qualities of dependability, service, cooperation, leadership, and patriotism. The winners are selected by the girls of Pioneer and the finalists are voted on in the Girls' P.E. classes. Paula and Michele are indeed deserving of this honor.

BOY'S STATE AND GIRL'S STATE

Robert Ward and Lisa Brailoff were Pioneer's representatives at Boys' and Girls' State. Under the sponsorship of the American Legion and the American Legion Auxiliary, Boys' and Girls' State provide a "learn by doing" experience. Robert and Lisa studied city, county, and state governments by forming their own model governments. Both Lisa and Robert feel that these are valuable experiences to them as future voters and citizens.

KARIN GRADMARK

A.F.S. EXCHANGE STUDENT FROM SWEDEN

Karin in her native apparel.

I remember the day I learned for sure that I would spend a year in California. I had a strange feeling, but at the same time it was a very exciting one. America was a part of the world that I had just heard and read about. That I was going to California, the Land of the Sunshine was just unbelievable.

Never in my life could I imagine that the weather here could be so pleasant during the whole year. But this is by no means the only memory I will retain from the year in Whittier. Since my first day here I felt at home because of friendliness and understanding. I have met wonderful people wherever I have gone. Now it will be so difficult to leave you all. *Pioneer, its students and teachers, is something that I will* always remember. It is not easy to make new friends when surrounded completely by new people, to become attached to so many things and then suddenly have to leave them. But my wish is to come back some time to relive these memories.

During my year here I have had many experiences. I have seen cactus and cotton fields, palm trees and desert for the first time. But this is only the smaller part of what has happened to me. *To live in a foreign country, to stay with a* wonderful family, and to become acquainted with all of you is the truly important experience. All this has given me a much better understanding of Americans who I thought were different from the Swedish people because we have different customs. Understanding among all the various countries is something that we need today more than anything else. I am more than grateful that I was given the opportunity to *stay with you during this year in order to gain part of this* understanding.

Finally, I want to convey my thanks to all of you. I cannot describe how thankful I am that you made me feel so welcome at Pioneer. I hope that you will always feel that you have a good friend in Sweden. Please remember that you will always stay in my memory.

Your Swedish friend,
Karin

Åre, This year has been great. I wish you a great future with lots of luck Karin

ANGIE LOPEZ
A.F.S. EXCHANGE
STUDENT
TO
FINLAND

I will never forget the seven wonderful weeks I spent in Finland.

I found the warmth and felicity of the Finnish people to be extremely gratifying. Though there are misconceptions of the United States, the general sentiment of the Europeans toward Americans is amicable.

These misconceptions are the result of a lack of understanding; however, the American Field Service, and other similar organizations, are striving to establish better communication around the world.

This past summer, over 1200 American students were sent abroad for an enriching experience. As one of these students I lived with a Finnish family, both learning and teaching, but especially the former. I wish to thank my foreign family for adopting me during the summer, and the American Field Service and the students here on the Pioneer campus for making my trip possible. I was afforded the opportunity to travel, learn, and understand a little more about not only a foreign country, but my own as well. I say this because for the first time I was able to observe the United States from an entirely new viewpoint.

I would like to encourage all of you to continue supporting the AFS program. Only in this way will others like myself be able to carry the torch of understanding a little farther along the road to ultimate world peace.

Tabby is a junior this year. How do we know? Because he has been attending Pioneer regularly for the past three years. He may be found most every morning on the bench in front of the Spirit Center. His afternoons a[illegible]ent napping in the sun on one of the table tops in the Senior Patio. (He doesn't know that he doesn't belong in the Senior Patio.) He usually leaves school about 3:15 every day along with the other members of his class.

FRESHMAN OFFICERS

This year's Freshman class places great confidence in their chosen officers.

The Freshman officers and council are doing an excellent job as a representative of the youngest class at Pioneer. They work hard for the betterment of their class.

President Michelle Dong is the first girl in Pioneer's history to be elected as a class president. Her classmates can be proud of the fine job she is doing.

CHEERLEADERS

Who spent many hours last summer and after school this year in preparation for the many events that were to confront them? It was, of course, our six peppy cheerleaders. They attended all of the games and pep rallies as well as many pep assemblies, all of which helped to promote the school spirit. Many thanks go to Terry Garner whose hard work made possible many new and successful events.

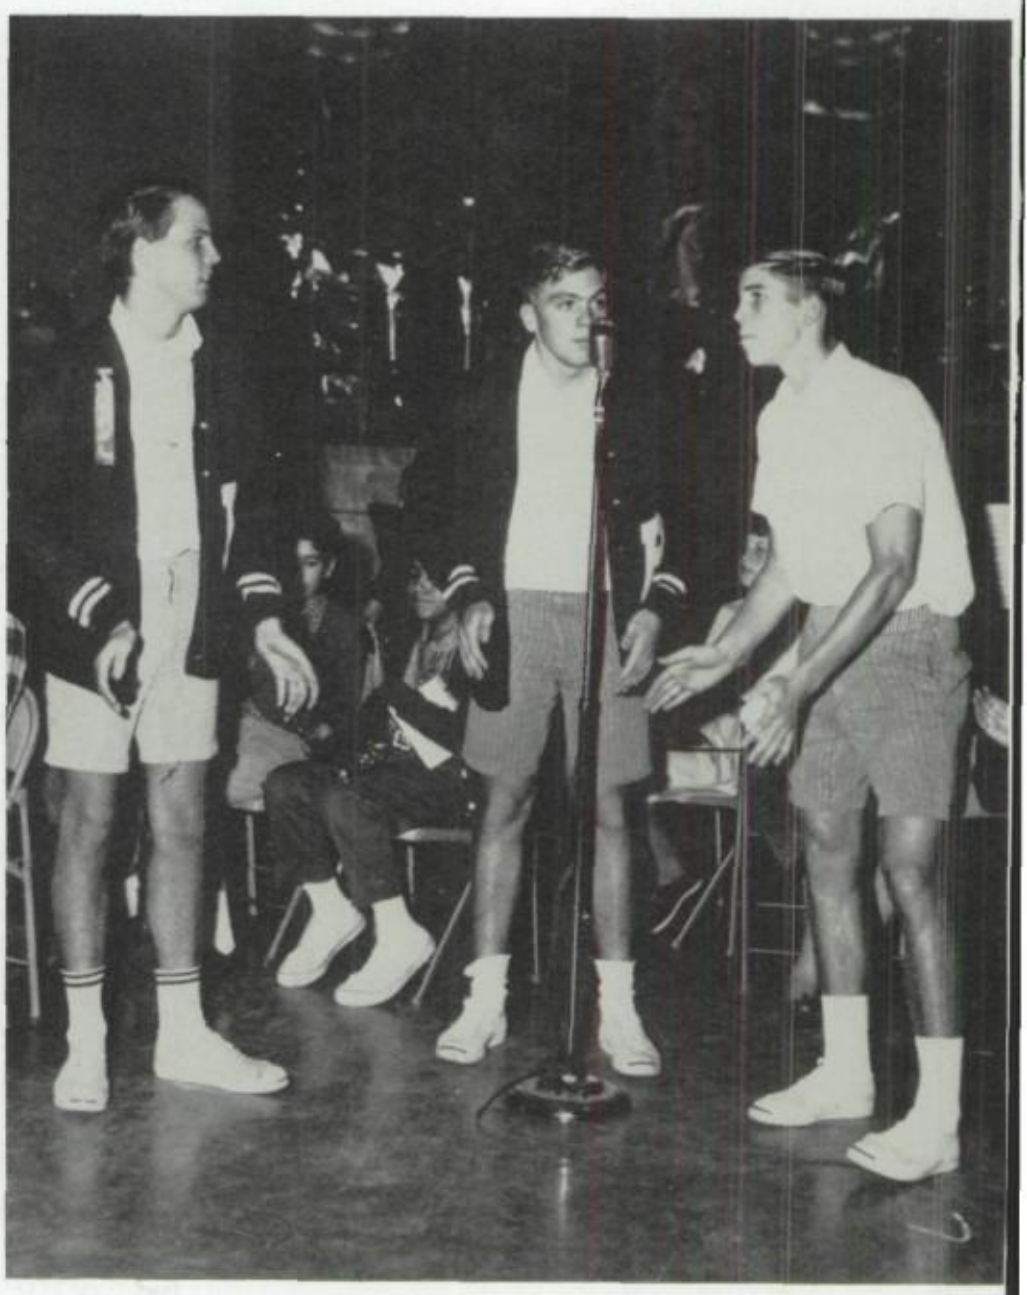
"DAYS GONE BY" HOMECOMING 1964

Alumni Yell Leaders: Mike Eiden '64, Curt Labnow '64, and Tom Runa '64, demonstrate the spirit and enthusiasm of the school year 1964-65 at the Homecoming Assembly.



Above, former students remember "Days Gone By" at Homecoming Assembly. Some return wearing beards, a privilege denied them while attending Pioneer. Right, many alumni return to Pioneer at Homecoming with what may some day prove to be Pioneer students of the future.

Olga Segrove reacts with joy and surprise upon being told she is Homecoming Queen.

Olga Segrove's journey to the honored position as Homecoming Queen began when her name was submitted by the Varsity Club and the Senior Class Council. The Council and the Varsity Club limited the list to twenty names. The Senior Class, in an election, selected the six princesses, and from the six, the student body selected the Queen. Olga's selection was announced during half-time at the homecoming game against John Glenn High School.

TITANETTE REVIEW

Pioneer's annual Titanette Review proved to be a success again this year. "Storybook Shenanigans" was composed of groups of girls, twelve to sixteen in number, who created their own costumes. A student director and a teacher kept the girls hard at work during the many hours spent in practice. This year eight groups participated in two performances before an audience that included boys as well as girls.

"CONTINUITY", above, is what holds the show together, and Rena Kugkendall, Ginger Lee, Dodie Van Zanten, Lillian Van Zanten, and Cheri Kariotis played their parts well before an appreciative audience.

FALL PLAY

"The Taming of the Shrew" was produced as the fall play at Pioneer this year in honor of William Shakespeare, in celebration of the 400th anniversary of his birth. Bob Ward played the leading role while Deirdre McDermott and Lisa Brailoff shared the portrayal of the "shrew."

TITANETTE REVIEW

Pioneer's annual Titanette Review proved to be a success again this year. "Storybook Shenanigans" was composed of groups of girls, twelve to sixteen in number, who created their own costumes. A student director and a teacher kept the girls hard at work during the many hours spent in practice. This year eight groups participated in two performances before an audience that included boys as well as girls.

"CONTINUITY", above, is what holds the show together, and Rena Kugkendall, Ginger Lee, Dodie Van Zanten, Lillian Van Zanten, and Cheri Kariotis played their parts well before an appreciative audience.

FALL PLAY

"The Taming of the Shrew" was produced as the fall play at Pioneer this year in honor of William Shakespeare, in celebration of the 400th anniversary of his birth. Bob Ward played the leading role while Deirdre McDermott and Lisa Brailoff shared the portrayal of the "shrew."

SIXTH ANNUAL STUDENT ART SHOW

For three days out of the school year the Pioneer Library is tran formed into an art gallery. The art works placed on display numb well over five hundred. There are representative examples of th work of ceramics classes, beginning and advanced art classes, co mercial art, and photography.

The exhibits are displayed according to categories based media. Above left are a few examples of scratch-board, a techniq of scratching into an inked surface to expose white areas.

Many long tedious hours were spent at rehearsals after school and in the evenings before the curtain came up on the first performance. Below, Lisa Brailoff, Lea Endress, Diana Beard, and Kathy Mudrovich go through a scene for the "umpteenth time."

THE MUSIC MAN

Seventy-six trombones was the theme of the Talent Show. The biggest theatrical undertaking in the history of Pioneer High. The original Broadway score by Meridith Wilson was followed to the letter. Over three hundred students were involved in presenting the production under the close direction and supervision of a score of teachers.

Mr. Orr's vocal music department supplied the choral and the Pioneer band, under the direction of Mr. Dorch rendered the musical accompaniment. Mr. White of the Drama department was in charge of the thespian aspects with Miss Narkiewitz and Mrs. Simpson of the Art Department contributing their talented supervision of the scenery.

Mrs. Horner of the English Department help the dancers with choreography.

Those who saw the show as spectators agree it was the best ever presented at Pioneer.

To Agnes,

Well I don't know where to begin. You've been such a wonderful friend, you always listen to all my problems and you always take me places in your kitchen car. You will never know how much I really, truly like you. I really mean it. There are no words I can express as to how much I ~~own~~ ~~had~~ really like you. You will always be one of my best friends. Keep that great personality. Remember me always for I will always remember you.

God Bless you and good luck in everything you do. Good luck in Johnny.

SWAN SONG

Four wonderful years of high school have passed for the class of 1965, but they are only stepping-stones to the future. Now the time has come to say farewell to the halls, the desks, and the buildings that are Pioneer High School. We fondly bid adieu to Pioneer and start down the paths of life on our own. No more can we depend upon teachers and parents to guide our footsteps. Now we move forward under our own power.

The main purpose of this Swan Song is to express thanks to all those concerned with the publication of this book. I'd like to do that now. Thanks to: Mrs. Zane Thompson and the Annual Staff because they are the ones who actually are responsible for this book; to Taylor Publishing Company and to the S. K. Smith Company for their help and guidance in the technical areas of yearbook publication; to Watson Photographers and to Mr. Rafferty and his photo department for providing the pictures for our yearbook; to all of Pihi's faculty and personnel for their assistance and cooperation; and to our advertisers for helping to support this venture. Also, a very special thanks to Mrs. Harry Eddy for making the dedication possible. MANY THANKS TO ALL OF YOU!!!

Now, even though you didn't ask, I'll climb up on by soapbox and give a little unsolicited advice.

First, to the FRESHMEN: You were "low-men-on-the-totem-pole" this year, but next year is different. Hang on for the three years to come — they're worth it.

Then, to the SOPHOMORES: Next year you'll be upperclassmen. That, in itself, is an accomplishment. Enjoy the two years to come — they pass so quickly that they're gone before you realize it.

And, of course, to the JUNIORS: We leave to you a school and the job of upholding its traditions. Take pride in Pioneer — it's a great school!

And last, but by no means least, the SENIORS: Life is like a path and this is one of its many crossroads. It's important that we choose wisely the path that we will follow — we can choose only once.

There's an old saying, but one that's just as true today as it has ever been. "To make a friend, be one." You only get as much as you give. Your life is only what you make it.

The time has come to say yet another thank-you. This time, the thanks go to the faculty members and administrators here at Pioneer. They do so much for us, but are so seldom appreciated. Thank you for all your time, for your effort, and for all the help you've given us. School is basically a learning process. What would the learning process be without those who make the knowledge available for us? So, we say to all of you who are so very important to our education: Thank you for *all* you've done.

There is little remaining to be said now — only "thanks again", and a sentimental, perhaps misty, "farewell".

Agnes—

What can I say? You have
had to put up with me
more than anyone I know
of. I will never forget
the fun we had in Psychology.
You were always so much
fun. Stay sincere and never
change your wonderful
personality.

Love -
